a former parish priest offers a provocative examination of the contemporary church of england an institution in crisis in this controversial book dire sunday services shrinking congregations and financial meltdown are the realities of today s church of england in last rites michael hampson who worked as a parish priest for thirteen years examines why this centuries old institution is in such crisis he describes a church divided between liberals and evangelicals shackled by tradition and with little resonance for the laity of modern britain he locates the roots of its demise in its history from the reformation to the ordination of women and beyond according to hampson the internal fault lines of the church were exposed in 2003 by the forced resignation of jeffrey john the first openly gay man appointed a bishop hampson demolishes the arguments against homosexual clergy and movingly describes his own journey to ordination as a gay man within a prejudiced church in a powerful conclusion he argues that a radical transformation of both culture and structure is the only hope for the renewal of the church of england last rites is a fiery insider s view of a church that has failed its clergy its laity and the nation at large

and then shall the end come matthew 24 14 what can end life as you know it what has the power to cause the end of all things in your life what will be the sign of the end of your ministry on this earth what will bring an end to the church the end of everything is death through this enlightening book by author and pastor dag heward mills you will see that pride disobedience hatred perversion rebellion and dishonour are some of the unfortunate things that can end your life and your ministry

in this first serious assessment of the meaning of church division ephraim radner provides a theological rationale for today s divided church in the christian west that goes far beyond the standard socio historical explanations of denominationalism through an examination of controversial post reformation discussions about the church radner offers a significant theory that describes the relation between christian division and the work of the holy spirit within western modernity radner s

description of the church is based on the traditional notion that a divided church is in a significant sense a dead church after the figure of the pneumatically abandoned dead christ who himself suffers redemptively the disintegration and restoration of divided israel in his physical and spiritual passion the hermeneutical basis for the usefulness of this figure lies deep in the scriptural practice of the undivided church and was common up through the reformation radner s recovery of this figural perspective is applied to the cluster of pneumatological issues that define ecclesial life
